

3 great reasons to replace your existing skylight with The Solar Powered "Fresh Air" Skylight

1

Fresh Air
Adding fresh air and ventilation to your home is essential to our health and well-being.

2

No Leak warranty
The No Leak Skylight carries the 10-year installation warranty plus 20-years on glass, 10-years on product, and 5-years on blinds and controls. The Solar Powered "Fresh Air" Skylight also installs just like our other VELUX models and requires no wiring.

3

Eligible for a 30% Federal tax credit
Eligible for a 30% federal tax credit homeowners receive an average of \$850* with federal tax credit eligibility which makes this product very affordable.

3 layers of water protection

- 1 Introducing a third layer of water protection. The pre-attached deck seal on all deck mounted skylights provides a seal between the frame and roof deck for a leak-proof installation.
- 2 Adhesive underlayment for secondary water protection against the harshest weather conditions.
- 3 Engineered flashing for easy installation and primary water protection.

Adding a skylight is the least costly, but most impactful home renovation project you can do.

All calculations are based on the estimated costs for both the product and installation. These estimates were generated assuming a typical installation and use National averages. Actual installation costs will vary from these estimates based on common variables in roof construction and shaft construction and size. Local delivery costs and applicable sales tax not considered for these estimates. These numbers are provided as estimates only. You must consult your contractor for validation of the actual price paid for your product and installation costs. These numbers are not intended to be used in your tax process for claiming your tax credit.

This tax credit is a direct reduction of the taxpayers total tax. As in all tax matters, the taxpayer is advised to consult their tax professional. VELUX America, Inc. assumes no liability regarding the homeowner's ability to obtain tax credits.
